Dear Friend,

We want to thank you very much for supporting NAMBLA. The North American Man/Boy Love Association is working to improve public understanding of man/boy love by providing reliable information and support for anyone concerned with personal freedom and the rights of young people.

We welcome everyone who supports man/boy love and social freedom. Membership in NAMBLA is entirely legal and our records are kept strictly confidential. We do not publish or distribute anything that may not be owned or mailed in the U.S.

Every day, thousands, and even tens-of-thousands of people, visit our website. We continuously hear from isolated individuals who had thought that they were completely alone and, because we are here, now know they are not. NAMBLA.COM is an invaluable historical and contemporary resource for information about man/boy love and youth rights. Your contribution helps to ensure that our, and your, voice can continue to be heard.

You are not alone! You can help in our common struggle for individual liberty and the rights of kids by joining NAMBLA today! Our address is:

**537 Jones Street #8418, San Francisco CA 94102.** (You don't have to write "NAMBLA" on the address, if you prefer.) Mail from NAMBLA does **not** have "NAMBLA" written on the return address. No one will know we have written to you.

The suggested donation amounts are just that, suggestions. We welcome whatever donation amount you can afford.

If you prefer to donate anonymously and do not wish to receive an acknowledgement from us or to receive any mail from NAMBLA, we are happy to accommodate your requirements. Simply check the "Anonymous" box below or indicate in your mail. We suggest that you also send us an email to info@nambla.org letting us know that you have sent a donation.

Please provide us with an email address. This is the perfect way for us to keep in touch, especially if you want to remain anonymous. In addition to reaching us, and replying to you much faster, it costs us nothing, helping to ensure your donation goes further. If you need an anonymized email address, we suggest tutanota.com or protonmail.ch email. They're free and secure and offer encryption.

Donations can consist of:

- **cash** (please enclose cash within a folded piece of paper to prevent theft. Email us, if you can, to let us know you sent it)
- **checks**
- **money orders**
- **Bitcoin**

**Cash and money orders** and, of course, **Bitcoin**, offer distinct advantages for anonymity.

**Membership/Donation Form:** (it's not absolutely necessary to include the form. You can simply send the donation)

Please enroll me: General Membership - \$35 recommended amount per year but pay whatever you can afford.
